Training occurs at one of two group meetings at the Festival Site in September:

- 2) Then at Individual Krew Meetings.

The Individual Krew Meetings can be scheduled before or after the General Meeting (Thursday, September 16th, 2010), Check with your Coordinator.

**Returning Krew Members:**

Please take our Festival Krew Member Survey

Returning Krew Members are given preference if you apply early enough.

If you are a returning Krew Member & wish to work in the same department as last year, please complete the Krew Member application form online. An email confirming your application will be sent to you from the Festival Krew Coordinator. Your details will be passed onto the Department Head of your selected area, who will then contact you.

If you are a returning Krew Member wishing to work in a different department, please complete the Krew Member application form online & indicate your preferences of departments.

The Festival Krew Coordinator will discuss these possible changes with you & then forward your details onto the relevant Department Head.
